

Tivat

If you arrive to Monte Negro by plane? you will be cordially welcome by the town of Tivat, located close to the only international airport on the coast of Monte Negro. Tivat is a city of modern architecture, flowers and green places. From their long journeys, the Boka seamen used to bring various species of exotic plants, what made one of the rricesi coastal city parks that decorates the city.

Very close to Tivat, there are the St. Marko's Island and the Flower Island making unique touristic settlements, the small Notre Dame (church) island, the idilic Bjelila, Przno, Bigovo.

Budva Real Estate Property portal is not restricted to Budva only. We operate with Tivat and Kotory Bay properties also.
